

ECA(SA) Presidential Excellence Awards 2024

The ECA(SA) Presidential Excellence Awards is a celebration of quality, outstanding workmanship and professionalism within the electrical industry. ECA(SA) is proud to host this 12th annual platform to showcase the outstanding achievements of our member organisations.

The aim in judging the projects submitted is to measure the contractor's ability to deliver the project at the correct cost, on time and with best quality workmanship.

The judging criteria lean on four pillars:

- The professionalism of the company.
- Budget management.
- Time management.
- Quality workmanship.

Judging process

Pre-entries will be evaluated according to the basic entrance criteria within two weeks of the pre-entry closing date and companies will be informed via e-mail of the outcome.

Awards function

- The awards will be presented to the category winners at a formal banquet on 22 November 2024 at a venue to be announced.
- Member firms are urged to invite their clients to attend the awards function as a means of marketing their profession.
- A professional multi-media team will be retained by the ECA(SA) to produce a high-quality presentation to support the awards.
- Elements of the multi-media may be used for promotional purposes.

TERMS AND CONDITIONS

PLEASE READ ALL CONDITIONS PRIOR TO SIGNATURE

1. Only member firms of the ECA(SA) may submit projects or nominations, unless otherwise invited.
2. The project or relevant stage of the project forming the subject of the submission where applicable, must have been completed satisfactorily for the beneficial use by the owner not more than one year prior to the due date for submission.
3. The judges reserve the right to cancel any of the categories due to insufficient entries or any other reason and the decision of the judging panel is final. All results will be audited by the ECA(SA) auditors.
4. The information included in the entries of awards winners will be submitted in its entirety to the editor of the ECA(SA)'s magazine, *SA Electrical Contractor*, for publication after the event. Entrants should be mindful of submitting information that might be regarded as sensitive or confidential as it will be in the public domain.
5. If you do not want the information to be published, **do not submit such information unless it is necessary for adjudication.**
6. Entrants are reminded that the information they submit will be accepted verbatim by the publishers and therefore should be checked and approved by all parties, clients etc, prior to submission thereof.
7. Entrants should be aware that their information will undergo an editing process, necessary to ensure that both entrants and category winners can be accommodated within the pages of the ECA(SA)'s magazine as well as in the script of the awards presentation. Inclusive separate entries are required to be submitted for each project.
8. The adjudicators reserve the right to determine whether any entry has been entered in the relevant category and to transfer entries into the category which they deem appropriate.
9. The entrant must obtain assurance of the owner's co-operation with regards to access for judging.
10. Details of each entry may be published in the media providing suitable material is supplied.
11. Entry in the competition does not automatically ensure exposure in the media.
12. The ECA(SA) reserves the right to refuse to accept any entry.
13. All documents submitted remain the property of the ECA(SA).

PLEASE NOTE

- **It is a requirement of the awards that photographs of the exterior and interior of installations, submitted with award-winning entries, must have the owner's permission to print and/or publish such photographs.**
- **The submission must include high resolution photographs in jpg or png format, scanned copies of documents, and any explanations that will allow the judge/s to evaluate each of the criteria.**

Electronic entries can be submitted via WeTransfer or on USBs.

USBs must be delivered to:
