21 February 2026

Dear Sponsors and registered 4 Ball Players,

On behalf of ECASA FS & NC, we extend our deepest and most heartfelt gratitude to each and every sponsor and 4 Ball Player who made our **Charity Golf Day for Autism on 19 February 2026** such a remarkable success.

Your generosity, commitment, and belief in our cause transformed this event into more than just a day on the course — it became a powerful demonstration of community, compassion, and collective impact.

We would like to extend a very special thank you to our two main sponsors, *Electro Mechanica* and *Voltex*. Your leadership support played a pivotal role in bringing this event to life. Your sponsorship not only elevated the day but also strengthened the meaningful difference we are able to make in the lives of individuals and families affected by autism.

We were truly blessed with beautiful weather, which set the perfect backdrop for an unforgettable day. The 4 ball teams enjoyed themselves thoroughly — from friendly competition on the fairways to shared laughter at prize-giving. The spirit of camaraderie and goodwill was evident throughout the day, and it is because of sponsors like you that such an atmosphere was possible.

Most importantly, your contributions directly support autism awareness and assistance initiatives. The impact of your support extends far beyond the golf course — it reaches families, children, and communities who rely on these efforts.

Thank you for standing with us, for investing in a worthy cause, and for helping us create a day filled with purpose and positivity. We look forward to building on this partnership in the future and continuing to make a meaningful difference together.
