

ELECTRIC FENCE TRAINING

21-23 JULY 2026

The ECA(SA) is pleased to invite you to our upcoming Electric Fence System Installer (EFSI) training course, held at our Cape Town office.

As per Electrical Machinery Regulations 12-15, only registered EFSIs may perform installations and issue COCs. This Recognition of Prior Learning (RPL) course is designed to bridge the gap for qualified electricians with experience in the field.

Requirements for Registration

1. Must be a qualified Electrician (Red Seal / Trade Test passed).
2. Bring a valid ID, mobile phone, notebook, and pen.
3. MUST CONFIRM ATTENDANCE BY NO LATER THAN 19 JUNE 2026 IN ORDER TO REGISTER YOU ON THE EWSETA DATABASE BEFORE THE 30 JUNE 2026 CUTOFF
