

Brazil Home, Construction, Machinery & Equipment Trade Mission to Johannesburg

Invitation to participate in B2B meetings with Brazilian suppliers

Date: Wednesday, 29 July 2026

Venue: Radisson Blu Sandton Hotel

ApexBrasil is pleased to invite you to participate in the Business Rounds taking place in Johannesburg on Wednesday 29 July 2026.

One-on-one meetings will be scheduled with Brazilian companies seeking business opportunities with South African importers and distributors, helping to promote commercial interaction between the two countries.

The range of products represented by the Brazilian companies participating in the Brazil-South Africa Trade Mission includes:

- Household & Office Furniture
- Metal screens & display cases for industrial & commercial use
- Plumbing products
- Electrical & lighting materials & fixtures
- Paint & paint accessories
- Hot glue guns, hot glue sticks & applicators
- Water & fluid filtration and purification systems
- Customised professional uniforms & workwear
- Industrial automation solutions
- Calibration of electrical instruments
- Glass
- Natural Stone and Granite
- Timber: MDF/HDF/MDP; Timber for decking, ceilings, doors, furniture manufacturing, & general construction
- Building materials & furniture manufactured from recycled materials
- Roof Tiles
- Machinery for ecological brick production
- Wheel loaders & attachments
- Metal fabrication, including steel fibres for concrete reinforcement; fencing & gates, perforated & expanded metal sheets
- Multi-support spacers for civil construction
